Through the Years... Changed Lives!

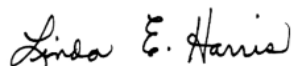

For 43 years we have served children, teenagers, and families through Christian camping at Camp Willow Run. Since that first summer of day camp in 1968 with 54 campers, we have grown to 2,400 resident summer campers in 2011. The "good ole Gospel train" is recognized for high standards in staffing, programming, and care for our campers. This is a blessing from God. It also represents the hard work and support of gracious donors, dedicated members of the Board of Directors, outstanding summer staff, commitment of our full-time staff, and our amazing campers and their families.

Recently, a young pastor stood in our office and expressed his gratitude for this ministry and the difference made in the life of his wife as she attended CWR for many years in her childhood. Every summer and throughout the year, we hear wonderful stories and testimonies about the ways this ministry has changed and impacted lives for the Kingdom of God. We hear from grateful parents who were campers and are now bringing their children to camp. Summer staff share about their desire to give back what they received as campers. We receive emails, letters, Christmas cards, wedding invitations, birth announcements, and missionary updates from around the world filled with notes of gratitude for what God has done in their lives through this place. For this we say, "To God be the Glory!" We praise God for the opportunity to proclaim His glory to His children through Christian camping!

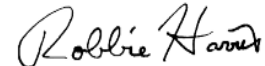

God is now raising up a second camp, Camp Willow Springs, for ministry to His children. With a growing waiting list at CWR, there is a pressing need to complete the construction of Phase One of Camp Willow Springs so that we can open in 2013. Two dormitories have been built and construction continues on the CWS site with the office and health care center. As outlined in a recent CWS mailing, our greatest area of need is to raise the funds for the construction of the dining hall and pool. Information about this is also available online at www.campwillowsprings.org.

Together we can see CWS completed to provide a Christian camping experience to more children and their families. If you would like more information or are considering making a gift, please contact us at 252.586.4665 or visit us online. Thank you for your support of this ministry. We wish you a Merry Christmas!
