

Camp Willow Springs

We are excited to announce that Camp Willow Springs will open in 2014! A dream began 45 years ago. This dream was the vision of developing Christian camps that will focus on sharing the Gospel of Jesus Christ and investing in the lives of campers. Out of this dream, Youth Camps For Christ, Inc. was formed and the development of Camp Willow Run began. In 1968, late founder Erbie Mangum, Jr. stated, "*All the effort we have put into the camp will be well worth it. A dream is coming true.*" For the past forty-five years, Camp Willow Run has been blessed to serve thousands of campers and guests. As a result of CWR's growth and the provision of additional land, the dream began of developing a second camp on this adjacent property.

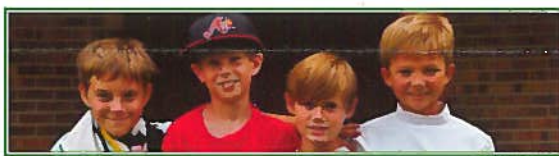

That dream is now coming true with the opening of Camp Willow Springs. We will offer five weeks of summer camp for campers in Grades 3-6 and will be available for Church camps and Spring/Fall retreats. We will serve 80 campers per week using the four completed duplex dormitories, pool complex, meeting room/dining room, amphitheater, health care center, office, and recreation areas. Much effort has been put into the development of CWS and God has provided faithful partners to help us reach this point.

We recently received a donation from a young man who is a former camper and recent summer staff member. The donation included this encouraging scripture and note. *Genesis 33:10-11 – "Jacob said, No, please, if I have found favor in your sight, then accept my present from my hand. For I have seen your face, which is like seeing the face of God, and you have accepted me. Please accept my blessing that is brought to you, because God has dealt graciously with me and because I have enough." Thank you for all that this ministry has done in my life and countless others. I have received more than I can ever repay. I pray that CWR and CWS will continue to bless many others just the same in the future.*

We greatly appreciate your prayerful consideration of an end of year gift to CWS. Funds are still needed to complete the pool complex matching gift challenge and to continue further development. All of the effort will be well worth it as we minister into the lives of our campers and guests. Please join us in being a part of the dream.

Pool Complex Matching Gift Update

Friends of CWS have provided a **matching gift offer of \$150,000** toward the pool complex. As a result, any gift designated for the pool will be matched dollar for dollar up to this amount. We have currently raised \$71,210. This leaves a **need of \$78,790** to complete the matching gift offer. The total cost of the pool complex will be \$445,000 and this cost includes the pool, pool house, grading, fencing and retaining wall. The pool will be a central recreation feature at CWS. It will have 5,198 square feet of swimming area and will include three water slides.
