2024 Summer Registration Guide

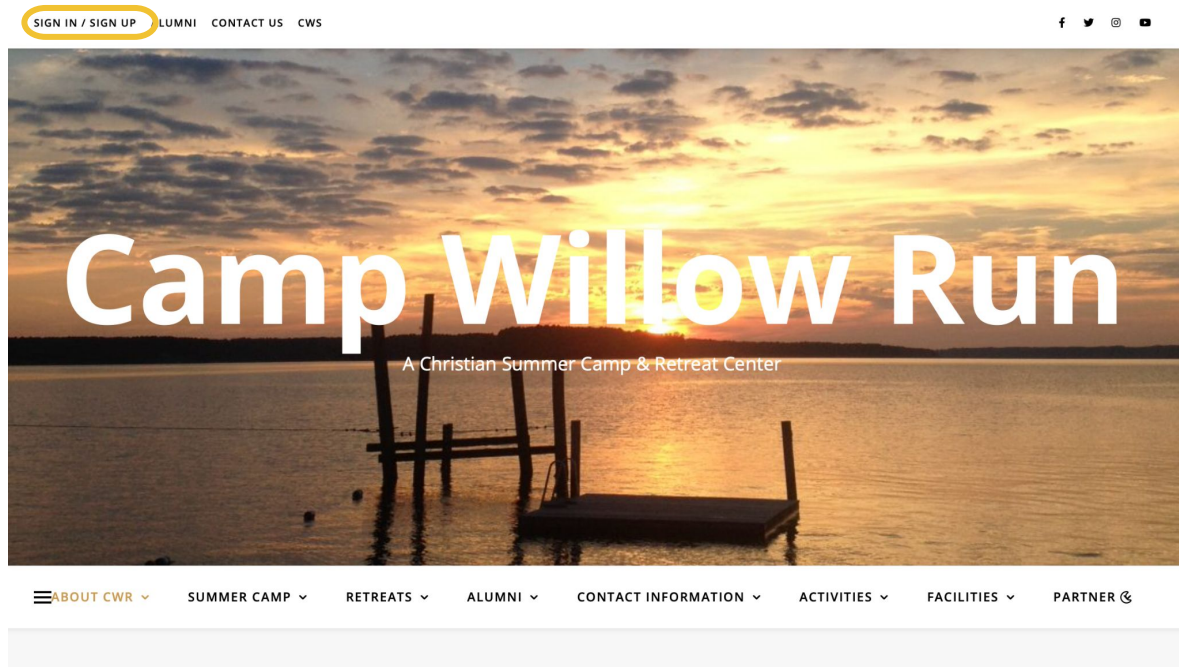

In this guide you will find a step by step overview of the registration process. This guide is written specifically for **Camp Willow Run (CWR)**, but describes a process that is nearly identical to the Camp Willow Springs (CWS) registration process. If you would like the CWS-specific guide, please visit campwillowsprings.org/registration.

A few reminders and pointers as you plan ahead:

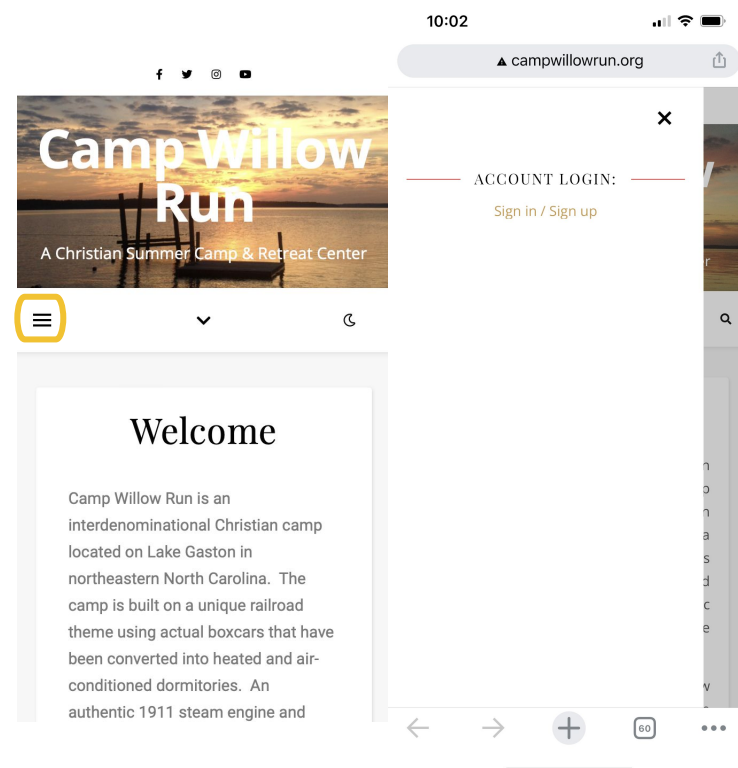

- Registration will be Monday, February 5 and Tuesday, February 6, 2024
 - CWS campers in rising grades 3-6 will be able to register beginning at 10am on Monday, February 5.
 - **CWR campers in rising grades 10 through rising college freshman can access sessions and begin to register at 12pm on Monday, February 5.**
 - **CWR campers in rising grades 7-9 can access sessions and begin to register at 10am Tuesday, February 6.**
 - Your child's space in a session is secured once the \$50 non-refundable deposit has been processed.
 - You can register multiple children in a family at the same time as long as they are in the same grade group of an open or previously opened time slot.
 - You can sign in or sign up for your account now to familiarize yourself with the layout and pre-fill your camper's demographic information (see pages 2 and 12 of this guide). We encourage everyone to login to your account prior to registration to make sure you remember your password and to update contact and payment information.
 - We recommend having a backup session as an option as many sessions typically fill quickly.

Please contact us at 252.586.4665 if you have any additional questions. Thank you!

TAKE ME TO MY ACCOUNT

At any point, you can return to your account dashboard by clicking your initials in the upper right corner and clicking “MY DASHBOARD” on the dropdown menu.

From the “Home” page you can resume a partial registration, start a new registration, make payments, and complete the next required steps for registered campers.

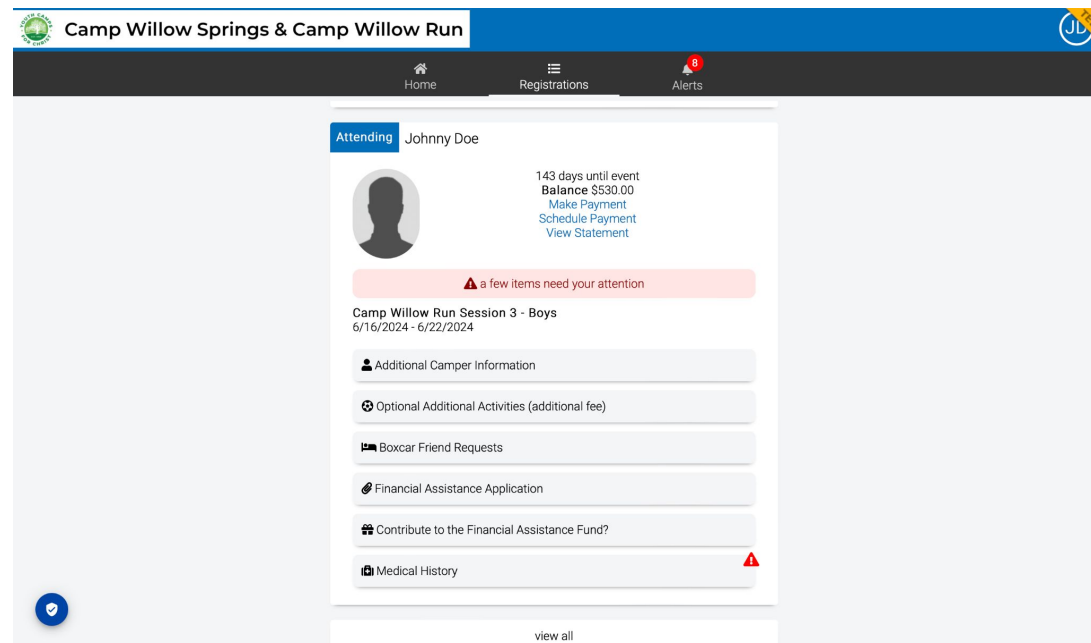

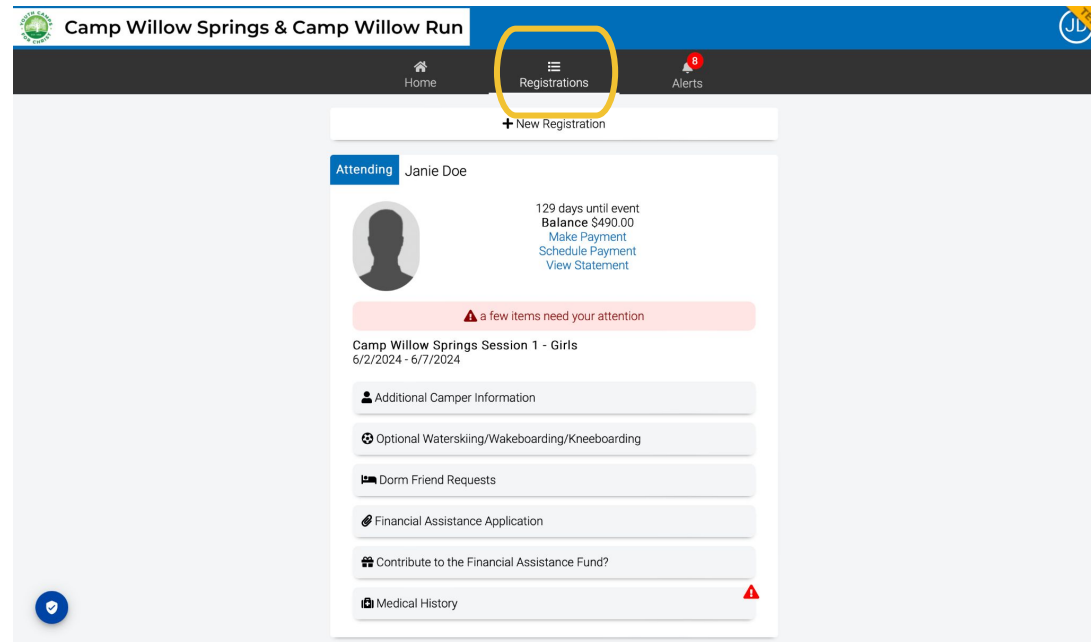

From the “Registrations” page you can make payments, schedule automatic payments, view your statement, and complete the required steps to prepare for your camper’s summer camp session.

CWR campers in **Grades 7-9 sessions** will participate in recreation activities on a rotation basis.

CWR campers in **Grades 10-CF and 9-CF sessions** will participate in daily recreation sign-ups.

If you would like to enroll in the optional activity of water-sports or model rocketry, they are available on a first-come first-serve basis. If you click on the water-sports option and it does not let you enroll in a class, all spots are filled.

If you would like to make specific roommate requests, be sure to complete the “Boxcar Friend Requests” steps below:

The “Boxcar Friend Requests” is optional and allows you to coordinate with friends to submit roommate confirmed requests.

It is not necessary to complete this step if your camper is coming by themselves. Many campers come unpaired and make new friends.

All roommate requests must be two-sided and each camper is limited to 3 requests, for a maximum of 4 linked friends.

Some friend requests will not be permitted due to previous links. For Example:

If friend C is linked with friend A and friend B. Then if, friend D is linked with friend E. Friend C and D could not be linked, because this will exceed the maximum of 4 linked friends.

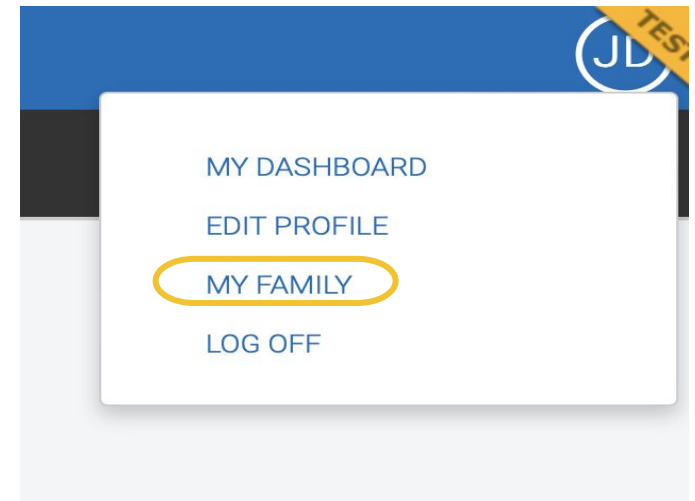

You can send a request to a friend by submitting the camper’s name and their parent’s email.

If another camper’s family sends you a request, you can confirm the request by entering the emailed request and clicking “Accept Request.”

The opportunity to make requests will close 1 week prior to the camp session in order to allow boxcar configurations to be created.

You can set up the members of your family beforehand to streamline the registration process.

Click your initials in your account in the upper-right corner and select “My Family” in the menu.

A screenshot of the 'Add Another Member' form. The form has fields for 'Family Role', 'First Name', 'Last Name', 'Grade' (with a subtext 'for School Year 2023 - 2024'), and 'Attendee Email'. There are radio buttons for 'Male' and 'Female', and a checkbox for 'Family Admin (can edit members, register)'. A dropdown menu is open, showing a list of family roles: Father, Mother, Step Father, Step Mother, Grandfather, Grandmother, Uncle, Aunt, Husband, Wife, Legal Guardian, Friend of Family, Single, Child, Step Child, Grandchild, Niece, Nephew, Cousin, and Foster Parent. The 'Father' option is selected with a blue checkmark.

In addition to adding parents and children, you can add other family members or friends that you want to have access to your account.

You can grant them permission to enroll your child by selecting “Family Admin.” This may be helpful if you are unavailable to register your camper on registration day.
